

Number of properties in the Ramshill Estate

Please note: this includes both flats and houses. Generally the letter-boxes for Ramshill flats are located behind the communal front door, and access is required into the building, behind the front door, to be able to access the individual letter boxes for each flat. When delivering to Ramshill letterboxes, please make every effort to access the letterboxes of flats as well as houses, e.g. by ringing the doorbell for each of the flats in turn and requesting access to the communal area for letterboxes.
