

RAMSHILL ROUNDABOUT

The Newsletter for Residents of Ramshill Estate

26th March 2020

Good Day Neighbours,

And we hope you are able to abide by the Coronavirus government instructions and are keeping well. Particularly those who have to still go out to work such as our essential services: the NHS, police, fire and etc. We wish you well.

You should have now received our dedicated Coronavirus card through your letter box but I attach a copy if not. If you have elderly or home-alone neighbours perhaps you could check on them and make sure they understand how to ask for assistance. The link below is another option.

We have already been receiving requests for help from Ramshill residents and thanks to our wiling volunteers our neighbours are receiving the assistance they need in these difficult times.

Let's hope life can return to normal soon and do take care of yourselves and your families,
