

RAMSHILL ROUNDABOUT

All: Please note the information in this October edition of our Ramshill newsletter.

Also a warm welcome to those residents who have recently moved onto our estate. And we hope you will actively support your Residents Association.

- 1. Annual AGM:** Having been delayed due to Covid 19 we can now confirm our AGM will be on:

Thursday 4th November @ 7pm in Churchers College in the "Lecture Theatre"

The Lecture Theatre is just to the left of the main entrance. We had planned to hold this event in the spring with longer days and less rain, so do take a torch and warm clothing.

- 2. Agenda for the AGM:** A full agenda will be available on the day. However the following items will be included:

- Update on Ramshill Legacy issues
 - Estate Management Plan by the PTC
 - Planting more daffodils
 - New fencing around the Playground
 - Tree planting on the estate
 - Neighbourhood Watch scheme
- If you are interested in joining the new **Ramshill Neighbourhood Watch Group**, please email our local coordinator, Marco Sacchi at nwg@ramshill.org.uk
To find out more about Neighbourhood Watch, please visit the following link: www.ourwatch.org.uk

Covid-19: Please Note:

- We will leave residents to decide if they wish to wear masks
- A detailed risk assessment, as required has been completed
- If you are showing any of the symptoms of Covid-19, please stay at home and participate by Zoom if you can.
- If residents would rather join the meeting remotely then a Zoom option and phone dial-in is available by accessing the following link: ramshill.org.uk/agm. However, we cannot guarantee the reliability of the internet or phone connection.

3. Litter Pick to coincide with Remembrance Sunday: Residents will remember we have carried out an estate litter pick in previous years although the last one was postponed due to snow! This year we are combining with the Petersfield Society on:

Saturday 6th November @ 10am - Meet by the Playground

This event is to ensure our estate and town are spick & span for this special day and we hope you will support us. Please bring gloves and black bags although litter pickers will be available.

4. Planning Agenda for Trademark House: You may be aware a planning application by Taylor Wimpey has been submitted to demolish the commercial building next to Esso and build “22 residential dwellings” and “one commercial unit”. Your residents’ association will be submitting a formal objection and all residents are free to voice their views on the South Downs National Park Planning Portal. The planning application number is “[SDNP/21/04347/FUL](#)”. If you require more information as to how to submit your views please email Chair@Ramshill.org.uk.

We are advised not to object on the potential increase in traffic along Ramshill but to give your views relating specifically to the size of the development. For instance, you can read [the objection lodged by The Petersfield Society](#) which may help you to formulate your views.
