

Ramshill Residents Group Questionnaire 2005

The aim of this questionnaire was to establish some idea of the scale of a range of issues raised at the June Ramshill Resident's Group meeting.

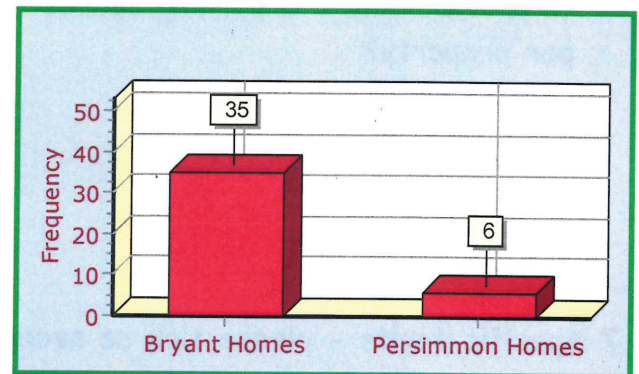

158 questionnaires were delivered to all occupied houses on the estate and 41 were returned hence the response rate of 26%. We hope you find the results of this questionnaire useful and please be assured that we have passed the results on to the relevant organisations.

Thank you to all those who completed the questionnaire.
